### Open Lobby

Holiday Inn Istanbul Tuzla Bay Hotel is the second in Istanbul with Open Lobby Concept. The concept allows to combine a traditional hotel lobby, restaurant, bar, lounge area and business center into one flexible space: eating, drinking, working, socialising. There are so many ways you can use the Open Lobby day and night. Lobby Bar is a cosy place where you can enjoy your time with friends, family and associates. It's a good choice for business meetings or pleasant chatters with your dear ones.

We make things extra convenient for you, so you could enjoy your life to the fullest.

Our philosophy is that our guests can eat what they like, when they like, where they like. After all, you deserve to have the best things your way during your stay.

Open Lobby...combines a restaurant, an office and game zones.

We do our best to ensure the most comfortable stay.
